

VISIT Leeuwarden

Shepherds, sheep, an ox and a donkey: you can find them all in the nativity scene. This Christmas you can make your own nativity scene, right in front of the Waag! Color all the pieces, cut them out and decorate your nativity scene exactly the way you want. Have you turned it in to a masterpiece? Share it with us! Send a picture of your creation to marketing@leeuwarden.nl.

VISIT Leeuwarden

Color in the parts, fold them along the dotted line, cut them out and paste them on a solid surface.
