Noordwijk

a unique conference location

NOORDWIJK IS AN **EXCLUSIVE SEASIDE RESORT** THAT IS VERY EASY TO GET TO THANKS TO ITS CENTRAL LOCATION BETWEEN AMSTERDAM, ROTTERDAM AND THE HAGUE. WHAT MAKES NOORDWIJK SO UNIQUE IS THAT IT COMBINES CONGRESS FACILITIES WORTHY OF **A BIG CITY WITH SMALL SCALE** AND THE QUIET CHARM OF A SEASIDE RESORT.

QUIET, SPACIOUS AND CENTRAL

As well as a rich variety of high-quality conference facilities, an extensive range of special destinations and excellent hotels and restaurants, Noordwijk also provides the perfect environment for relaxation and recreation. And that's a pretty unique mix! It will come as no surprise that Noordwijk is known as Holland's second conference city.

The conference facilities in Noordwijk are worthy of a major city. Therefore, accommodating a major conference in Noordwijk is absolutely no problem. If you are organising a big event including various locations and your guests are staying at different hotels, the small scale of Noordwijk really proves its worth. In Noordwijk you don't have to go far to get to one place to another. And Noordwijk is itself is easy to get to. Another positive fact is the close cooperation between the municipality, the local businesses and other stakeholders of Noordwijk. This means that Noordwijk is holds a great deal of knowledge and expertise in accommodating citywide conferences. That's Noordwijk!

GREENPORT

Two different realms that come together in Noordwijk are space travel and flower bulbs. Noordwijk is situated in the middle of the Dutch region of dunes and bulb fields. This so-called 'Greenport' forms an economic area on world scale. Companies from the region provide almost two thirds of the global bulb trade. The development of horticulture and related research institutions, logistics and service activities ensure its strong competitive international position. Space travel with all its developments is another feature of Noordwijk. Many space travel activities take place in Noordwijk, making the Netherlands an important international player.

A full-page background image showing a sunset over the ocean. The sun is a bright yellow orb on the horizon, casting a long, shimmering reflection across the water. The sky is filled with large, dramatic clouds in shades of orange, yellow, and dark blue. In the foreground, two people are silhouetted against the bright sunset, each sitting in a kayak and holding a paddle. The water in the foreground shows gentle ripples and small waves.

JOKING OR NOT, **THE EXPRESSION REFLECTS THE TRUTH.** AS WELL AS BEING ONE OF THE MOST LUXURIOUS SEASIDE CONFERENCE RESORTS IN THE NETHERLANDS, NOORDWIJK IS ALSO HOME TO **ESA-ESTEC, THE BIGGEST TECHNOLOGICAL CENTRE FOR EUROPEAN SPACE TRAVEL.** ESA ASTRONAUT ANDRÉ KUIPERS PREPARED FOR HIS SPACE JOURNEY FROM ESA-ESTEC.

Noordwijk

the space to be

NOORDWIJK IS HOME TO ESA-ESTEC, THE BIGGEST TECHNOLOGI- CAL CENTRE FOR EURO- PEAN SPACE TRAVEL.

Beyond space and air travel, the technological discoveries that take place here are applied in sectors such as communication, navigation, meteorology, astronomy and physics. This makes the Netherlands one of the countries with the most advanced developments in space travel internationally. The Space Technology industry organizes numerous large and small conferences each year, many of which are held in Noordwijk.

SPACE EXPO

Those who want a place in the sun can go to Space Expo. About 15 years ago, this centre was set up as a visitor centre of ESTEC and has, since then, already welcomed millions of visitors. The permanent exhibition gives an idea of the development of the aerospace industry and the exploration of the universe. Space Expo offers all the necessary facilities to organize a meeting. There are several rooms and reception areas on site, including an auditorium for 130 people.

International congresses

THE PAST YEARS, NOORDWIJK HAS PROVIDED ACCOMMODATION FOR A LARGE NUMBER OF LEADING CONFERENCES AND INTERNATIONAL DELEGATIONS SUCH AS **THE NSS** (NUCLEAR SECURITY SUMMIT, WITH HOUSING **THE TWO LARGEST DELEGATIONS OF THE U.S. AND CHINA**) AND THE SHELL CONGRESS INTERNATIONAL.

THE IDEAL VENUE FOR LARGE INTERNATIONAL CONFERENCES

There are many international space technology conferences every year. Many of these conferences take place near all the action, in one of the four or five star hotels of the seaside conference resort of Noordwijk. The location of the seaside resort, near Amsterdam Schiphol Airport and the city of The Hague, makes it a good base. Noordwijk has experience being the base for large international events such as the NSS world summit. During the NSS summit two of the most important world powers chose Noordwijk as their base, setting the conference location in the limelight of world media for a week. The US delegation with President Barack Obama stayed at Grand Hotel Huis ter Duin and the Chinese delegation with President Xi Jinping chose the five star Hotels van Oranje nearby. Conference hotels the Radisson Blu Palace Hotel and NH Leeuwenhorst also received important delegations and diplomats during the summit. The US channels ABC, CNN, NBC and FOX broadcast their NSS reports from Noordwijk.

NOORDWIJK HAS **A LOT OF EXPERIENCE** IN ORGANIZING CONFERENCES. IN THE MEETINGS & CONGRESSES DEPARTMENT OF NOORDWIJK MARKETING, WE KNOW ALL THE INS AND OUTS. AFTER ALL, WE'RE FAMILIAR WITH ALL **THE CONFERENCE FACILITIES** IN NOORDWIJK AND **THE CONFERENCE-RELATED SERVICE PROVIDERS.**

Meeting & conference venues

A great diversity of (modern) conveniences and conference facilities are offered by a range of three-, four- and five-star hotels. There are few places on the European coast-line offering such a complete package in such a compact and delightful setting.

Hospitality, perfection, facilities and superior service make it a unique location for (inter)national business meetings. The five-star deluxe has 230 rooms, 24 suites and 19 multifunctional conference rooms.
